RE: Receipt of cc - EPA Region 9

Thanks, Julia. I'm the contact for Hu Honua on air-related matters. I checked my Hu Honua files, but I don't have a copy of this notice of commencement of construction (dated 7/19/12) in them. I will print your pdf and include it in our files. Thanks for checking.

Subject: Receipt of cc - EPA Region 9

Hi Andrew,

I received your voice message left yesterday evening regarding the message I left with Matt Salazar—thanks for getting back to me.

I am not sure about the matter you described, as I am only performing our normal, annual internal file review. I have attached a copy of a letter we sent to Hawaii DoH that included a cc to EPA Region 9. We have an acknowledgment of receipt from Hawaii DoH (marked upper right corner) and are trying to close the loop that EPA Region 9 also received its cc. Can you let me know who I should check with to see if our cc was received?

Thanks for the help.

-Julia

REFERENCE:

CSP No. 0724-01-C, DATE OF CONSTRUCTION COMMENCEMENT

Clean Air Branch,

In accordance with Attachment I, Item 14.b of Covered Source Permit No. 0724-01-C, we hereby provide written notice to the Department that construction commenced on July 16, 2012 or shortly thereafter. Work will include renovation and construction on the equipment identified in Section A of the Permit. All equipment will be constructed in accordance with the specifications detailed in the Initial Covered Source Permit Application and will be installed according to manufacturer recommendations.

If you have any questions or comments regarding this correspondence feel free to contact me at the information provided in the letterhead address.

Regards,

Mr. John G. Sylvia Chief Executive Officer

CC: Chief, Permits Office, Air Division, U.S. EPA Region 9
